

82 TRW Input

The Training Standard of Excellence

POSITIVES

- Positive/open communication on BMT inbound numbers and depart times
- Transition back to bussing as primary mode of travel has provided more reliable planning for inbounds

CHALLENGES

- BMT 205 accuracy and content (i.e. PT scores/age)
- Incomplete Vaccination Status & Airmen w/Sickle Cell Trait arriving w/out Red Dog Tags
- Airmen arriving without pay and mandatory items (CAC/Uniform Items)

Other Comments

- Collaborative effort to train/develop MTLs to the same standard as MTIs
- Initiating the PDS Assignment process at BMT after career field selection
