

# 37 TRG Input

*The Training Standard of Excellence*

## POSITIVES

- COVID Vaccinations
  - Airmen arriving vaccinated = **Big Win!**
- Comprehensive Airman Fitness
  - Airmen are knowledgeable of support services and express when they need assistance = **Big Win!**

## CHALLENGES

- Communication
  - Information flowing via Airman to MTL vs. BMT to TTG
  - No established process for regular communication between BMT to TTGs
- Records Management
  - Airmen arriving w/CAC, certificate, and finance issues
- Uniform/Dress & Appearance
  - Airmen seem less knowledgeable of uniform wear and how to address rank

## OTHER COMMENTS

- Need established process for regular communication between BMT to TTGs
