

BIOGRAPHY

United States Air Force

MR. TONY COE

Tony Coe is the Director, 637th Training Support Squadron, 637th TRG Defense Language Institute English Language Center (DLIELC) at Lackland Air Force Base, Texas. The mission of the 637th TRSS Director is to provide superior customer service support to the 637th TRG, 332nd TRS, 637th ISS and students in the areas of Logistics and Information Technology while serving as an advisory body to the 637th TRG Commander on all issues dealing with strategic planning, processes and procedures, and a liaison to mission partners.

Prior to his current position, Mr. Coe served as the Technology Flight Chief for the 637TRG, providing IT support to resident students and faculty as well as non-resident locations world-wide. Additionally he continues serve as the Program Manager for the DLIELC EDU enclave supporting the 637TRG DoD English Language Training mission.

Mr. Coe served in the US Army for 29 years, 23 on Active Duty. Enlisting in 1979, he initially served as an Infantryman and Scout Section leader. Upon receiving his commission in 1988 in the Field Artillery, he served in a number of positions in the US, West Germany and South Korea to include Platoon Fire Direction Officer, Battalion Reconnaissance/Survey Officer, Battalion Signal Officer, Battalion Liaison Officer, Headquarters Battery Commander, Battalion Operations Officer (S3), ROTC Instructor at the University of Oklahoma, Deputy of Strategic Programs for the National Training Center, Chief of Computer Security and Exploitation at the Land Information Warfare Activity, Information Assurance Network Officer, Division Automation Officer and Chief for the DLIELC Support Division, retiring in 2008.
