**Help protect

**First, I would like to thank you for your interest in our program. Just a few questions before we proceed.**

1. Do you live within 2 hour drive of Lackland AFB, TX?
2. Do you have a fenced in back yard?
3. If you have children, are they at least age 5 or older?

If you answered yes to all the questions, then you may qualify.

**I am the Breeding Program Foster Consultant. If you decide to volunteer as a Foster, I will help you through this process. A Foster is responsible for a 5 month commitment; from puppy age 6 weeks to 7 months old.**

During this time you will have the opportunity to care, train and expose the puppy to a variety of different environments.

**This program can be exciting and rewarding. A good Foster is the key to the puppy making it through the program.**

This will give you a chance to serve your country in a different way and you will be Fostering a Future Hero!
