The 37TRW weekly rundown of events, news and need-to-know information

Here's a couple of photos from the event. You can find more at <https://www.dvidshub.net/image/7099882/37-trw-ncos-selected-promotion-e8>.

We are officially in Week 2 of the Air Force Assistance Fund of 2022! The AFAF supports four charities, active duty, retirees, reservists, guard, and our dependents. This is an annual effort that is accomplished "To Us, By Us" with 100% of the donations going directly to the organizations dedicated to caring for our Airmen from induction through retirement and beyond. These donations provide support during emergencies, educational support, and can help secure retirement accommodations for widows or widowers of our Air Force members.

There are many ways that are available to you to make a donation to the AFAF. You're able to text "AFAF" to 50155, visit your Unit e-Giving and peer-to-peer (P2P) fundraising pages, go to the AFAF e-Giving Portal at <https://secure.qgiv.com/event/afaf> or talk to your Unit POC to start a Payroll Deduction Plan. The options provide many opportunities for our wing to get involved with this year's AFAF campaign and continue our support to our Air Force Family.

The campaign runs through April 22! The 37 TRW POCs are Maj Jessica Hillard and Maj Martinez-Paez can be reached at 210-671-7927 for more information. Thank you all for stepping up to support our AFAF. We look forward to seeing the progress our Warhawk family makes!

We had several special visitors last week. Maj. Gen. Michael "Troy" Gerock, commander of the Air National Guard Readiness Center, and his command chief, Chief Master Sgt. David Callaghan, were here to discuss the success of our Total Force Integration efforts. And on Thursday, Maj. Gen. Porter, Wyoming National Guard Adjutant General, and his senior enlisted leader, Chief Master Sgt. Joshua Moore, witnessed our BMT graduation. Great experiences for our guests and for us!

I'd also like to recognize Lt. Col. Carlos Hernandez, vice commandant of the Inter-American Air Forces Academy, who retired Friday after 21 years of service. Congratulations to you and your family, and good luck as you transition into your next career!

And while it's still a few weeks away, I'd like to remind everyone that April is the Month of the Military Child, and there's a special event happening at the Warrior Family Support Center behind BAMC on April 16. "Purple-Up!" will feature snacks and lunch, great entertainment, and Easter egg hunts – and they're all free! More information coming soon – make sure you mark your calendar for this!

## **WARHAWK RECOGNITION**

We coined two Warhawks at the 37th Training Group on Friday. A hearty congratulations to TSgt Christina Ingram and SSgt Mariah Rosenberg, both of the 344th Training Squadron.

TSgt Ingram accurately predicted and managed effectively change management issues as a result of the 344 TRS/TRP recently transitioning the Aerospace Physiology course to be the initial entry for all Aircrew Fundamentals Course (AFC) students. She forecasted personnel shortfalls and developed a waiver to ensure no loss or delays in training. She expertly developed several COAs for a last-minute chamber maintenance issue that ensured all 37 students were trained for the week and progressed as planned to their AFC and 3-lvl courses. Due to her efforts, we are able to support not just the Career Enlisted Aviator pipeline, but also 33 Special Warfare pre-dive students. What makes her deserving of this recognition was her ability to mitigate these issues as a professional NCO with grace and flexibility while ensuring student needs and all training objectives were met. She also continues to take an active role within the squadron, coordinating a baby shower for a new civilian mom, supporting a C-5 anthropometric study, and attending PDE courses and sessions.

SSgt Rosenberg is assigned as the NCOIC of Administration for the Aerospace Physiology Flight, 344th TRS. SSgt Rosenberg stood out this week by supporting the 37th TRG with the Pandemic Case Management Study and Oura ring deployment. She dedicated numerous hours issuing 286 Oura rings and processing 596 consent forms across the group. During this time she also fostered strong relationships with the 343rd TRS at Camp Bullis, Military Working Dog group, and 17 other organizations. SSgt Rosenberg constantly envisions ways to increase the quality of life of those around her and improve the work environment. She recently created a Monarch Butterfly project to save an endangered species and beautify the 344th facilities -- this is just one example of her ingenuity. In regards to her passion for teaching and mentorship, she recently demonstrated

this by sharing her knowledge and skill while training two upgrade Airmen on Aircrew Flight Equipment (AFE) disassembly/reassembly procedures. Her AFE expertise has also increased the proficiency of 9 unit members, preparing the unit for the opening of the first-ever JBSA-Lackland hypobaric chamber. SSgt Rosenberg is an excellent wingman and has paved the way for the Airmen within the Physiology organization.

## AROUND THE WARHAWK WING

**DLIELC:** It's the Season for SCETWGs! Every year, DLIELC's Country Program Managers (CPMs) and Overseas Program Managers (OPMs) from the 637 International Support Squadron (ISS) attend annual Security Cooperation Education Training Working Groups (SCETWGs), which occur this year from March 14 to May 22. The SCETWG is a geographic combatant command conference conducted for the purpose of establishing the Security Assistance (SA) and Security Cooperation (SC) training programs for each country. Primary attendees are the Security Cooperation Office (SCO) training manager and representatives from Defense Security Cooperation Agency (DSCA), the military departments (MILDEPs), training agencies, and other key Security Cooperation (SC) training management personnel. CPMs and OPMs from DLIELC attend as the SMEs for DLIELC's resident and nonresident programs. They serve as resources when SCOs or MILDEPs have specific questions about training and courses for international military students (IMS). Traditionally, these 5+ day meetings happen in Garmisch, Germany (EUCOM and AFRICOM); Miami, Florida (NORTHCOM and SOUTHCOM); Tampa, Florida (CENTCOM), and Honolulu, Hawaii or Bangkok, Thailand (INDOPACOM). While all SCETWGs discuss upcoming opportunities for International Military Education Training (IMET) and Foreign Military Sales (FMS) training and courses, there is some variance in their focus on other topics. DLIELC will have 7 attendees in both an in-person and virtual capacities.

**737th Training Group:** International Women's Day was observed at BMT March 17 with a mass (flight), that incorporated MTIs and permanent party women from throughout the 737th TRG. International Women's Day is a global holiday celebrated annually to commemorate the cultural, political, and socioeconomic achievements of women. Check out the photo below!
