Nine Airmen awarded Master Instructor Badge

JOINT BASE SAN ANTONIO-LACKLAND, Texas – Col. Joyce Storm, 37th Training Group commander, recognized nine instructors June 28, for achieving master instructor status. The individuals were presented with the Air Education and Training Command Master Instructor badge. Storm congratulated them for completing the designated requirements but due to a power outage the ceremony was held in the hallway at the 37th Training Group building. Geographically separated attendees joined in via Zoom from 344 TRS Det 1 in Port Hueneme, Calif., and 345 TRS in Ft. Lee, Va. The recipients of the AETC Master Instructor badge are:

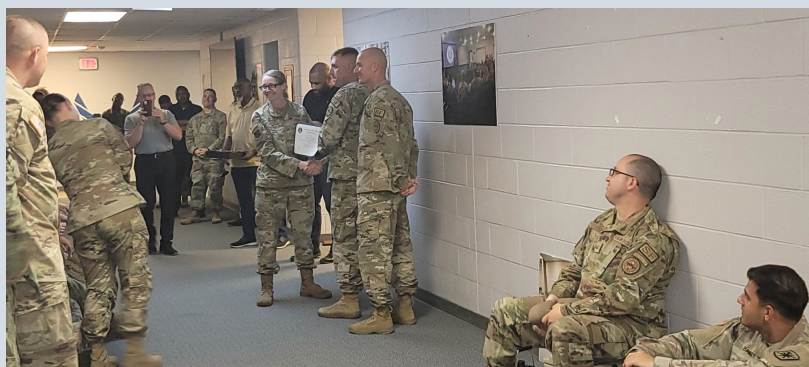

- Master Sgt. Michael Brooks – 344 TRS, Det. 1
- Master Sgt. Kimberly Lewis – 344 TRS
- Tech Sgt. Jordan Basnight – 344 TRS
- Tech. Sgt. Cade Browning – 344 TRS, Det. 1
- Tech. Sgt. Tyler Champion – 345 TRS
- Tech Sgt. Leytham Cresswell - 341st TRS
- Tech. Sgt. Lucas Gardona – 345 TRS
- Tech Sgt. Daniel Grove – 344 TRS
- Tech. Sgt. Jon Williamson – 344 TRS, Det 1

There's a new class on the block

JOINT BASE SAN ANTONIO-LACKLAND, Texas – The enlisted contracting career field is so lean it often places E-7s and E-8s in Senior Enlisted Leaders slots, and, until now, those junior SELs often took on the challenge without formal training. Read the full story [HERE](#).

37 TRSS facilitates class at DEOMI

PATRICK AIR FORCE BASE, Florida --From June 13-17, members of the 37 Training Support Squadron ADDIE Mobile Training Team, Tech. Sgt. Alquincy Emerson and Tech. Sgt. Stephen Johnson, facilitated a week-long training class, focused on Analysis, Design, Development, Implementation, and Evaluation (ADDIE) at the Defense Equal Opportunity Management Institute. Twenty-four joint-force DEOMI instructors attended the course, developing their instructional systems development knowledge to provide valuable assistance when requested and with future roles as Air Force Equal Opportunity Practitioners. The event was lauded by DEOMI leadership, "Thank you for your support and for helping us make a difference!"

by DEOMI Public Affairs

The Defense Language Institute English Language Center graduated 79 students from 19 countries July 7. Of the 79 students, 20 were U.S. Army Reserve Officer Training Corps cadets who completed a 7-week summer English Comprehension Level program. Those cadets that received their ECL qualifications will soon commission as U.S. Army second lieutenants.

Growing partner nation capacity

JOINT BASE SAN ANTONIO-LACKLAND, Texas – Forty-seven international military students from partner nations across Latin America graduated from the Inter-American Air Forces Academy July 8, during a mini graduation. The students graduated from on-the-job Training Administration, Intelligence, Surveillance, and Reconnaissance Fundamentals, Cyber Security, International Logistics and Corrosion Control Technician.

by Vanessa Adame

WARNING

Fun was had by all who attended the 37th Training Wing Combat Dining Out, July 8.

The event was held to bring the groups together and celebrate the hard work and dedication Warhawks have displayed this past year.

by Joe Gangemi

ITC Update

The Inter-American Air Forces Academy Training Complex auditorium is currently under renovation.

The auditorium will NOT be available for use or for reservations until the project is completed.

ECD: Fall 2022

DRMO? Recycle? Or Trash?

If looking to clean out your office and get rid of furniture, know what items must be turned in and where you can drop them off.

 The Defense Reutilization Marketing Office, or **DRMO**, accepts office furniture (desks, chairs filing cabinets, etc.) that are in good functional condition. DRMO typically does not accept office partition walls. Contact (210) 221-4639 for questions about DRMO.

 The **JBSA Recycling Center** accepts paper, plastics, personal data/privacy act documents, cardboard, printer cartridges and metals. They will usually accept cubicle wall partitions due to the high metal content. Call the JBSA-Lackland Recycling Center, (210) 671-4800, located at Bldg. 7390 (street address is 2891 Carswell Avenue) for more information.

 **Front End Load dumpsters** are for office trash only. The JBSA waste management company will not empty dumpsters if wood, or other recyclable materials, or hazardous materials are found in the dumpsters.

Learning Professionals Q&A

19 July 2022

1 PM CST

The Optimal Day: Leveraging Biorhythms and Lifestyle Habits to Elevate Training Design and Instruction

Dr. Brittany Loney
Director, Elite Cognition &
Human Optimization (Echo)
Core One

Dr. Loney discusses biorhythms with lifestyle adjustments for exponential increase in brain functions and rate of learning retention. Attendees will identify the principles, knowledge, and techniques to improve brain function and performance in their personal and professional lives.
