Wives club plans next luncheon

Lackland's Officers Wives Club has scheduled a Sweetheart Luncheon for 11 a.m. Thursday in the Officers Open Mess.

A social hour will open the event at 11 a.m. with lunch beginning at 11:30 a.m. Members may invite their husbands to the luncheon.

Members are invited to stay and enjoy games provided by the open mess. Reservations are required and may be made by calling Shirley Helkey at 681-7850, Jan Stewart at 684-1251 or Nancy Claerner at 655-6184.

You'll be

we should never meet ag

This month the LOWDOWN features
Nadine Acker, wife of
Major General William F. Acker
Commander, AFNTC

Texas, heat and all, is a lovely place to be. Mrs Acker feels this way. She said "after two cold years in Chicago I promised never to complain about heat again."

Nadine Acker

Fort Sheridan, an Army Fost at Chicago, where General Acker headed a Joint Services unit, is one of many claces Mrs Acker has lived during her husband's military career. There have been 21 moves in 25 years, all over the globe to Okinawa, Spain and Germany.

Mrs Acker never had problems re-establishing herself at any of these new locations. The children - there are three - were eager to make new friends and quickly fit into new surroundings. Mrs Acker fears she may have spoiled her children for civilian life. She wonders if they find two or three years too long a time in any one place.

Patti, the Acker's oldest daughter is married and lives across town. Her husband is currently stationed at Randolph. They have a three year old son. Kathy, who will be 21 in September, is attending Texas A & M and Billy, their son, will be a senior at Lackland High School.

Milledgeville, Georgia, their hometown, is where Mrs Acker met her future husband. The occasion was a Youth Center-sponsored hayride. The Acker's both attended schools in Milledgeville. After studying home economics Mrs Acker went to work, while her future husband joined the Air Force.

Mrs Acker likes to cook and entertain. She also lists sewing, bowling, bridge and golf as hobbies. There is even a vegetable garden at the back of the house. General and Mrs Acker cultivated it, and the fruits of their labor show up at the dining table.

Mrs Acker has met many interesting people. One of them the late Shah of Iran. The Shah and his Empress Farah Diba had dinner at the Acker home on two occasions during their stay at Lackland last year. How exciting that must have been! A true Southern Lady, Mrs Acker seems at ease in all situations. We are truly fortunate to have her here at Lackland.

or not to do with your money, share them?
